

This is to exprees to you that I benefit from listening to XM Satellite Radio and its traffic and weather channels. I am paying for these services and it should not be up to the National Association of Broadcasters to dictate what you are permitted to hear. I respectfully urge the FCC to reject the NAB's petition 04-160 and to support XM's ability to provide the kind of programming that I want.

Respectfully submitted.

Elliot C. Jolesch
